MEMORANDUM FOR THE RECORD

SUBJECT : Contents of MISC 4 - Counterintelligence Operations

25X1

1. This is another of the smaller holdings in the History Staff. It has 22 pages, is source-referenced, and is marked as a Draft of the CI/CE Chapter.

2. The author has made a notation that the article might be of interest to readers of Studies in Intelligence.

3. I believe the best place to put this small chapter is with the James Graham collection -- MISC 23. The material could probably be used as background in some way.
